Aaron,

Attached are the responses to QFRs that I've received so far. There are still a number outstanding, as listed below. Although programs are working on them, there are some that have been reassigned and some that still need to be drafted at the AO senior leadership level. I'm sending follow up emails to programs on my team and will reach out to Nancy and Helena to inquire about the QFRs they are assisting with as well. No need to make calls to elevate at this time please😊.
